EXTRACURRICULAR ACTIVITIES

Co-Founder and President, Cancel Period Poverty

2022 – Present

- Co-founded a student-led initiative focused on addressing period poverty by improving access to menstrual products, education, and sustainable solutions.
- Raised \$1,000 for period products through fundraising events, supporting women in need.
- Worked with 4 schools in Goa, India, and Kampala, Uganda, to distribute products and provide menstrual education.
- Conducted 10 workshops, teaching 250 women to make reusable pads from accessible materials and spreading awareness about period poverty, hygiene challenges, and waste management.

Vice President of Engagement, Mu Alpha Theta Math Honors Society

2025 – Present

ANANDITA NEVREKAR

Dubai, UAE

Tel: +971 522052972 | Email:ananditanevrekar@gmail.com | Year 12 / Grade 11

- Promoted social media, induction, and entry events for 50 trial inductees, enhancing recruitment and member retention.
- Dedicated over 20 hours to support competition preparation, tutoring, and induction requirements, helping students improve problem-solving skills and mathematical confidence.
- Facilitated and participated in the COMAP Math Competition, coordinating with 15 student groups, resulting in stronger collaborative skills and analytical thinking.
- Created and managed a comprehensive points and hours tracker, increasing member accountability and engagement.

Participant, Wharton Business Competition

Sept 2024 - Jan 2025

- Collaborated with a team of 4 to develop a comprehensive investment strategy for Ladi Ayoola, aiming to grow \$100,000 to \$500,000 by 2040.
- Competed against 2,000 teams, analyzing market trends, economic events, and financial projections to create sustainable growth plans.
- Created 4 additional investment portfolios over the school year, incorporating insights from elections, market shifts, and emerging industries to optimize returns.

Volunteer/Member, Global Issues Network

Sept 2024 - Present

- Contributed to weekly 1-hour planning meetings, supporting event logistics and strategy for the current school year.
- Volunteered at events like Harmonies for Hope (singing to spread peace) and Carnival (using art and performances to educate over 500 students on diversity and inclusion).
- Selected as 1 of 10 students to collaborate with the International School of Uganda for the AISA GISS Conference, raising awareness for the Global Issues Network's "Act Now" theme.
- Developed actionable solutions over 4 days, focusing on climate change, gender equality, and sustainability.

Student Leader, Girls Can Code

Sept 2024 - Present

- Teach coding fundamentals to 20 female elementary students weekly, using Scratch and Google Code to build computational thinking and problem-solving skills.
- Designed and delivered 4 workshops reaching 80+ students and parents, focusing on women's representation in STEM and addressing gender bias.
- Developed a gender-responsive teaching approach combining hands-on coding with storytelling to engage students and build confidence.

ANANDITA NEVREKAR

Dubai, UAE

Tel: +971 522052972 | Email:ananditanevrekar@gmail.com | Year 12 / Grade 11

- Mentored students through 20+ personalized final projects, encouraging exploration of themes relevant to their experiences and fostering technical skills alongside self-expression.

Student Leader, IT Help Desk Internship

Sept 2024 - Present

- Provided technical support 3 hours per week, addressing hardware, software, and network issues experienced by students.
- Assisted over 20 students with Wi-Fi connectivity, printing, personal projects, and AP testing challenges.
- Contributed to improving the helpdesk workflow by helping redesign the ticketing system, enhancing issue tracking and response efficiency.

Competitor, Junction Theatre Short and Sweet Competition

Feb 2024 - Feb 2025

- Two of my 10-minute plays were selected out of top 10 plays at my school to compete and perform for 3 days in the Junction theater Short and Sweet competition.
- Competed as Wang in "Two Artists Trying to Pay the Bill" in 2024 and competed as Aly in "Cubs Win" in 2025.

Member, AI and Technology Club

2024 - Present

- Dedicated 1 hour weekly collaborating with a team of 5 students to develop AI-driven projects focused on applications in healthcare, education, and environmental sustainability.
- Analyzed ethical considerations including data privacy, algorithmic bias, and potential misuse of AI technologies, proposing safeguards to ensure responsible implementation.
- Co-developed a final presentation incorporating case studies on AI in disease diagnosis and personalized learning, educating 100+ peers on balancing AI benefits with ethical risks.
- Contributed to actionable recommendations for promoting transparency and fairness in AI systems, fostering greater awareness of AI's societal impact.

Delegate, Model United Nations
